

## THE APRIL VERCH BAND

### Technical Rider and Backline Requirements

#### April Verch (Fiddle)

\*1 XLR line (*April will bring her own AKG wireless system*)

\*AC (*power for wireless*)

2 floor mics (for step dancing) – PZM or PCC preferred, 57/58's on tabletop stands acceptable

1 stool - bar height, hard top

\*Note that the wireless & AC for fiddle can go off stage or somewhere convenient, not necessarily where placed on stage plot

#### Cody Walters (Bass & Banjo)

1 XLR line (*for bass, he has his own DI box*)

1 instrument mic with stand (*for banjo*)

1 armless chair

#### Clay Ross (Guitar)

1 XLR line (*for guitar, has his own DI box*)

AC (*power for pedal*)

#### Band Vocal

1 microphone stand needed for:

The band will bring their own vocal condenser mic (AKG KSM32) which will be used for all vocals (as well as for guitar leads).

*\*If you are uncomfortable using this vocal mic, it must be replaced with 3 vocals (one at each musician's position on the stage plot) as well as an additional instrument mic at Clay's position for guitar leads.*

#### Plywood (\*conditional to performance)

April's stepdancing is a crucial part of her performance. The venue is required to supply one 4'x8' sheet of plywood (unfinished and at least 1/2" thick) for stepdancing. Please ensure that this plywood is not warped at all. Chipboard, USB & Masonite are not acceptable. Wooden stages must be approved by artist prior to arrival.

#### Phantom Power

Phantom Power is required for the bass line, guitar line and for the AKG condenser mic.

*If Phantom Power is not available on your sound board, the AKG condenser microphone can't be used and we will require the 3 vocals mics & additional guitar instrument mic instead.*

#### OTHER NOTES:

- Mic stands: all stands should be boom stands if at all possible
- Guitar stands: if guitar stands are available at venue, 2 on stage are requested please
- Monitors: 3stage monitors with split mixes if possible (please advise if not possible)
- Speakers: Front of house system to suit size of venue
- Lighting: General wash with colors
- Stage: Minimum 12' x 12'
